Winchester Pride Celebration, Corp. (WPC) is presenting our Winchester Pride Celebration, a series of events to celebrate the diversity of our community. The event is happening on Sept 17 from 12 noon to 5 pm on the Old Town Walking Mall and will culminate on Saturday night with the after party, as well as a drag show! We anticipate a large number of attendees as this is THE only event of its kind in Winchester and the surrounding area.

The purpose of WPC is to bring people together in the spirit of open celebration and community. WPC's goal is, through a variety of venues and events, to create opportunities for people to publicly connect with new and old friends and allies in order to: CELEBRATE our lives, EDUCATE the public about our culture, our place in society, and our issues of concern, and DEMONSTRATE our diversity, our normalcy, our numbers, and the spirit of pride we feel within ourselves and our community.

May we bring to your attention an opportunity for you or your organization to participate in this joyous celebration by helping to underwrite a portion of the costs as a Sponsor? WPC's main function is to help educate and maintain a healthy gay, lesbian, bisexual and transgender community that promotes a positive image through visibility, education, and community involvement.

Sponsorship of Winchester Pride Celebration would create immediate awareness of your support for this community, which will carry over far beyond the actual events. We believe the rewards we offer provide an incredible value for sponsors at any level.

Sponsor donations allow events to be free and accessible to the public; thus creating goodwill in the community and providing an excellent opportunity for outreach. It encompasses activities such as headline entertainment drag shows throughout the day, speakers on community caliber, retail vendors, of local and national nonprofit agencies; the ever popular walking mall stores and restaurants, and more!

Please review your opportunities to get in on the ground floor of this amazing event!
